

2024-2025 WARRIOR BAND HANDBOOK

Welcome back to another school year and a special welcome to all new members of the EWHS Warrior BANDS! I am looking forward to the upcoming year and hope you are too. The Warrior Bands have a tradition of performing excellent music for appreciative audiences. Your continued practice and dedication will make this year the best it can be. Our success is a shared responsibility between teachers, administrators, parents and most of all, STUDENTS. Thanks for reading this handbook and processing the paper forms provided in class. There are 2 forms, one for letting me know that you've read and understand the Band Handbook and one for all-year permission to travel.

Calendar of Music Events (page 11)

Please mark these items onto your own and your family calendars ASAP to avoid conflicts. Please alert me ASAP with any potential calendar conflicts in writing. Verbally explaining conflicts may not be remembered by your teacher as there are so many of you and only one of me :)

E-mail is usually best. bergevinj@edmonds.wednet.edu

For more up-to-date information about Music Department events visit our website calendar at <https://ewhsmusic.com/calendar/>. Consider "syncing" this calendar to your own Google Calendar.

The Music Boosters are hosting an Open House/Ice Cream Social so parents/guardians can meet the teachers and other music families on Thursday, September 12, 2024 at 7 PM in the Music Building. Please review the [EWHS General Calendar](#) for the all-school Open House information.

Stay Connected

I encourage all musicians and families to stay in communication with me and all instructors. I send regular emails to my classes. Students in high school are expected to read emails. Additionally, I use a texting service called PARENT SQUARE which students and families may find helpful. I also use Canvas for some (but not many) of the class assignments and ChromeBooks need to be in class CHARGED each day. This will be covered in class.

Most resources can be found on Canvas. Official grades are kept in Skyward.

Website and Social Media – We have a Music Boosters website for musicians and their families at <https://ewhsmusic.com>. This is a helpful source of information about the EWHS Music Program and Boosters. You can also find us on Instagram (@ewhs_music) and Facebook ("Edmonds-Woodway Music")

Thanks for doing your part to be your personal best and have a great year!

EWHS PEP/MARCHING BAND OVERVIEW

The EWHS Pep Band is a band made up of all band musicians. It provides the “Pep” at 4-5 home football games, and 10 home basketball games (5 girls and 5 boys games). The Basketball band is split into two squads so each musician is **only asked to play at 5 basketball games**. Students in Pep Band are admitted free to all events at which they play. Students in band must have an ASB card. Music is easy-medium difficulty.

Pep Band music will be rehearsed in class and the after school commitment is very light. This system allows all students to participate without impacting their other after school activities such as sports and private lessons but **careful calendar coordination is important**.

Most football games are on Friday nights and usually last about 3 hours (including warm-up time). All band students will show up for Football games one hour early to practice as a large group and work on marching. If the game is at 5:00, roll will be called at 4:00. Students will be given 3rd quarter off to get a snack and visit with other friends but must be back in their spots by 1 minute left on the game clock. **All band members will be expected to play at Football Playoff Games. Drumline students arrive 30 minutes earlier than the rest of the band.**

The Pep Band has traditionally played on the field **only in the homecoming game**. In addition they may march in other community parades. Parade marching is a chance to take our tunes to the streets. Students have fun decorating their instruments and sections to add to the merriment.

Basketball game participation will include each student playing for at least 5 basketball games. We will form two squads and each student will need to choose 5 of the 10 games to attend. Students may choose to play at more than the 5 required games.

Marching/Pep Band Philosophy:

Marching band is a part of a band musician’s development. Its history dates back to the military musicians of Roman times. The EWHS Music Department is one of the strongest in our region and athletic events give the band the chance to share their sounds with a large audience. Providing music for student events is also a **service obligation** that the whole band will share fulfilling. Athletes and audience attendees notice and appreciate the energy and enthusiasm that the band contributes to each event at which it performs. We are proud to play our part in making Edmonds-Woodway a great school.

OTHER PERFORMANCE ENSEMBLES

The following performance opportunities essentially meet outside the school day and are not credit bearing but may count toward lettering in music.

Full Orchestra

The full orchestra will rehearse after school during Chamber Orchestra period as needed and may be called to occasional evening rehearsals. It is composed of the students in Philharmonic Orchestra and select wind players and percussionists from the Wind Symphony.

Jazz Combos

These volunteer groups rehearse independently. Several festivals provide opportunities to perform and compete. Combos are student led and may be selected to compete at regional festivals for additional costs.

Chamber Ensembles

Chamber ensembles can be the most rewarding for advanced players. One to a part assignments and competing at Solo and Ensemble Festival are the highlight of many students' year.

Musical Pit Orchestra

In coordination with the drama department, more later.

Private Instruction

A must for students considering competing at Solo and Ensemble Festival, going on to study music in college, hoping for scholarship or playing in an All-State or All-Northwest honor group. Students should contact a local professional, or ask Mr. Bergevin for a referral.

GRADING POLICIES

Specific Course Syllabi will be distributed separately.

Grades are determined in the following manner:

A	=	93-100%
A-	=	90-92
B+	=	87-89
B	=	84-86
B-	=	80-83
C+	=	77-79
C	=	74-76
C-	=	70-73
D+	=	67-69
D	=	60-66

In the unlikely event the student is unable to maintain the "C" level work, the "D" or poor grade will be given with the suggestion that improvement is necessary if the student wishes to remain in the program. The grade of "E", or failure, will be given in situations where flagrant violations of the band policy exist.

Summary:

30% Performance Participation (Concerts and Games)

50% Classroom Participation, Preparedness and Attitude

20% Playing tests, theory tests, history tests and projects

Performances are mandatory, grade-bearing activities. It is up to the director's discretion to determine if a student has a valid reason for missing a performance. Absences may be considered unexcused even if authorized by the student's parent if the reason does not meet the criteria set up by the director. Points are given for activities that occur outside of class, and are weighted according to the importance of the activity. Generally, major concerts and festivals are worth 30-50 points; sporting events, Pep Activities and after school rehearsals are worth 10-20 points. Surprise absences are rarely excused. Students need to communicate at least 3 days prior if a foreseen absence is expected.

Students must attend all scheduled band performances, assemblies, games, and festivals at which the entire group is required. Evaluations will include attendance, proper uniform, audience behavior and attitude. Students with serious conflicts of an upcoming performance should let the director know as soon as possible and no later than two weeks prior to the performance. Unacceptable excuses include work, transportation problems, family gatherings and other extracurricular activities.

There will be no make-up assignments for regularly scheduled concerts or festivals and students missing these events will lower their grade by at least one full letter.

Varsity Football and Cheer Squad are excused from football Pep Band obligations. Varsity Basketball and Cheer Squad are excused from winter Basketball Pep Band Obligations.

50% Classroom Participation (contribution) and Attitude

“Practicing is when you learn your own part, rehearsing is when you learn everyone else’s part”.
Important to our success is the individual’s ability to maintain an attitude of willingness to learn. This measure will be evaluated daily with the expectation that **everyone starts with an “A”**. See attendance policy for further clarification.

ATTENDANCE POLICY

Grading

Each class period is worth 3 participation points. When grades are calculated, 3 points are deducted for each excused or unexcused absence. One point will be deducted for each tardy as recorded in Skyward. Additionally, students who attend class without their instrument and cannot participate will lose 2 participation points for each occurrence. Points may also be deducted for violations of conduct guidelines as band is **primarily a participation and cooperation class.**

Probation

Students who have missed more than 20% of the rehearsals for a given performance (absent or non-participating for any reason) may be placed on attendance probation. Students on probation will only be allowed to perform after they have demonstrated that they are adequately prepared. Students on probation that cannot demonstrate adequate preparation will still be expected to attend the performance as an audience member, and may be granted partial or full credit for the performance, depending on the reason for missed rehearsals.

Missed Performances

If the absence is EXCUSED, the student will receive half credit and will be allowed to make up the remaining points by submitting concert evaluations (10 points per concert report). If the absence is unexcused, the student will receive a zero for the performance, and may not make it up.

Personal locks on school lockers are not permitted and will be removed and discarded. **Students will be fined \$5 for lost locks.**
